Mockup Design :

SUN-KISSED SAVINGS

Design Objective :

- **Design objective is to create a design which go along well with the "Summer sale" theme and to be visually appealing**
 - **Take 1 design Explores the bright and vibrant side ,while Take 2 Explores the Luxurious High-End feeling.**
 - **I made two Designs one to be vibrant and bright and other to be Premium and luxurious.**
 - **But i chose Take 1 as Final look because it relates to the assignment i was given ,which is (visually appealing and also a woman wearing a necklace)**
-

Color & Visual Direction:

Take 1:

- **Warm skin tones and neutral colors create a summery atmosphere.**
- **Dark green provides contrast and a sophisticated accent.**
- **Gold jewelry naturally stands out against the warm imagery.**

Take 2:

- **Black creates a dramatic, premium atmosphere.**
 - **Gold jewelry against the dark background reinforces the luxurious feel.**
 - **Yellow typography adds a fashionable, contemporary accent.**
